HOW IT WORKS

Three steps. No middlemen.

Generate letters instantly

Upload your credit report and our AI builds every dispute letter you need — written and formatted for each bureau and item.

Download & mail yourself

No middlemen. Download your letters, print them, and mail directly to the bureaus. You stay in full control of your credit journey.

Track your progress

Log your disputes and monitor your credit profile as items get updated or removed. Know exactly where you stand at all times.
